ABOUT ONE VOICE

Our hope and purpose at One Voice is to provide a safe Haven for survivors of sex trafficking, ages 12-18 and 18-25, to begin their unique Journey of healing. We are passionate about seeing the individual in front of us as we, listen to their voice, and provide an individual pathway of healing through trauma-informed wrap-around care for survivors to break the cycle of trafficking and to remain out of the life.

OUR PROGRAMS

JOURNEY

The young women at One Voice have the opportunity to choose to transform their lives and re-enter the community as a confident advocate for others who need to see that your past does not define you and there is hope after the pain. This is possible through, Journey 24/7 residential program, providing workshops, normalcy, creating new memories, intentional community support, and developing individual care plans to meet individual goals. Our hope is that after completing the 12 month program, survivors will become thrivers and will enter into their community with newfound clarity, understanding of their worth, self-respect and the confidence to continue to heal.

HAVEN

Haven Outpatient provides a therapeutic environment for minor survivors of sex trafficking and their family. WHO

One Voice is a Haven for survivors of sex trafficking to begin their unique Journey of Healing. We serve survivors of sex trafficking, ages 12-25, through wrap-around care by meeting their mental, educational, spiritual, physical, relational & transitional needs through our Journey program & Haven minor outpatient program.

WHAT

Experience Freedom is the evolution of our Art of Freedom fundraising event, designed to provide guests with a deeper understanding of the triumphs and struggles of survivors through a series of unique and engaging experiences. Last year, this event was incredibly successful, and everyone who attended expressed that it was unlike any event they had ever experienced. The fun and interactive activities allowed guests to gain insight into the "what and why's" of the essential therapeutic avenues offered to survivors at One Voice.

WHY

This year, we're taking it even further. Guests will have the opportunity to participate in even more fun, interactive, and therapeutic activities, giving you a firsthand look at the vital healing journey survivors undertake. It's all about fun, interaction, and creating unforgettable memories.

We are excited to host another impactful and enjoyable evening with our community, and we invite you to join us as a sponsor. Your support will help us continue providing these essential services and experiences for our survivors, making a real difference in their lives.
